### **Artist: The Hombres Lyrics** **Song: Let it All Hang Out Lyrics**

(Spoken)

A preachment, dear friend  
You are about to receive on John Barleycorn  
Nicotine and the temptations of Eve

No parkin' by the sewer sign  
Hot dog, my razors broke  
Water drippin' up the spout  
But I dont care, let it all hang out

Hangin' from a pine tree by my knees  
Sun is shinin' through the shade  
Nobody knows what its all about  
It's too much, man, let it all hang out

Saw a man walkin' upside down  
My T.V.s on the blink  
Made Galileo look like a Boy Scout  
Sorry 'bout that, let it all hang out

Sleep all day, drive all night  
Brain my numb, can't stop now  
For sure ain't no doubt  
Keep an open mind, let it all hang out

It's rainin' inside a big brown moon  
How does that mess you baby up, leg  
Eatin' a Reuben sandwich with sauerkraut  
Don't stop now, baby, let it all hang out

Let it all hang out  
Let it all hang out  
Let it all hang out
